ZODHIATES INTERNATIONAL NEW TESTAMENT STUDY CENTER

Fotis & Mary Romeos

Dear friend,

The land of Greece is a place of deep biblical significance. Paul, Apollos, Lydia, Aquila, Priscilla, Titus, Timothy and many other first century believers planted some of the earliest churches in our cities. We invite you to visit us. You will understand the Scriptures with greater clarity as you see, touch and taste the land of the apostles' travels. We will introduce you to the places where Scripture was written and to ministries carrying on the legacy of truth and compassion established so many years ago. It would be our honor to host you as our cherished guests. Contact us today to let us know how we might serve you.

Who we are...

The ***Zodhiates International New Testament Study Center*** is a ministry of AMG International, an evangelical mission agency ministering to needy people in over 30 countries of the world. The study center is located in Koropi, Greece,

at the ***CosmoVision Center***, a conference facility housing AMG International offices for the European region. The ***CosmoVision Center*** is nestled in the foothills of Athens, providing a safe place for quiet reflection yet conveniently located only minutes away from the city center and Athens International Airport. We facilitate schools, churches, and mission organizations in using the land of the New Testament to help believers read the Bible with more understanding and share the love of Christ more effectively.
